*Let Me Off at the Top!* Ron Burgundy 2013-11-19 A shockingly candid and raw autobiography from legendary anchorman, jazz flutist, and host of The Ron Burgundy Podcast, Ron Burgundy. From his humble beginnings in a desolate Iowa coal mining town, his years at Our Lady Queen of Chewbacca High School to his odds-defying climb to the dizzying heights of becoming America’s most trusted and beloved television News Anchor, Ron Burgundy pulls no punches in Let Me Off at the Top! In his very own words Burgundy reveals his most private thoughts, his triumphs and his disappointments. His life reads like an adventure story complete with knock-down fights, beautiful women and double-fisted excitement on every page. He has hunted jackalopes with Bobby Kennedy and Peter Lawford, had more than his share of his amorous exploits, and formed the greatest on-air team in the history of televised news. Along the way, he hobnobbed with people you wish you knew and some you honestly wish you didn’t—celebrities, presidents, presidents' wives, celebrities' wives, dogs, and, of course Veronica Corningstone, the love of his life. Walter Cronkite, Barbra Streisand, Katie Couric, the list goes on. Who didn’t Mr. Burgundy, or “Ron” as he is known to his friends, rub elbows with in the course of his colorful and often criminal life? This may well be the most thrilling book ever written, by a man of great physical, moral and spiritual strength and not surprisingly a great literary talent as well. This book deserves a real shot at a Pulitzer Prize. In fact if it doesn’t win one then we will finally have proof that the Pulitzer is rigged. Ron Burgundy has taken the time to write a book. We owe it to him, as honest Americans, to read it.

**Atari Inc** Marty Goldberg 2012 Atari Inc. - Business is Fun, the book that goes behind the company that was synonymous with the popularization of 'video games.' Nearly 8 years in the making, Atari Inc. - Business is Fun is comprised of thousands of researched documents, hundreds of interviews, and access to materials never before available. An amazing 800 pages (including nearly 300 pages of rare, never before seen photos, memos and court documents), this book details Atari's genesis from an idea between an engineer and a visionary in 1969 to a nearly \$2 billion dollar juggernaut, and ending with a \$538 million death spiral during 1984. A testament to the people that worked at this beloved company, the book is full of their personal stories and insights. Learn about topics like: \* All the behind the scenes stories surrounding the creation of the company's now iconic games and products. \* The amazing story of Atari's very own "Xerox PARC" research facility up in the foothills of the Sierra Mountains \* The full recounting of Steve Jobs's time at Atari, with comments from the people he worked with on projects and the detailed story of the creation of Atari Breakout, including input by Steve Wozniak on his development of the prototype, and how it couldn't be used and another Atari engineer would have to make the final production Breakout arcade game instead. \* The creation of "Rick Rats Big Cheese Restaurants" which later became "Chuck E. Cheese's" \* How Atari Inc. faltered and took down an entire industry with it before being put on the chopping block. If you've ever wanted to learn about the truth behind the creation of this iconic company told directly by the people who made FUN for a living, then this is the book for you!

*Grossery Games* Fred Perry 2012 Middle school zombie and would-be pro gamer Bill Stokes' attempt to win against a visiting champ are complicated by a weekend trip to camp Woodchuck, the need to care for the neighbor’s poodle, and his personal bully’s attempts to humiliate him with a "game show" called Gross-eries.
