**Dragondoom** Dennis L. McKiernan 2002-05-01 A thousand years before the Winter War, Elgo, prince of the Vanadurin, killed the Dragon Sleeth and returned home with the fabulous wealth from the dead beast's lair. But there was more in the bounty than gems and gold, for the treasure was cursed, and in time it brought death to noble and peasant, war between Man and Dwarf, strife and destruction beyond reckoning. Now, generations later, as the conflict continues, the great Dragon Black Kalgalath, in league with the Wizard Andrak, appears to avenge Sleeth's death and claim the Dragon-cursed hoard. Against this unholy alliance, two sworn enemies set forth to find a legendary long-lost weapon: a warhammer of incalculable power that may be the only hope of victory. But neither the Warrior Maiden Elyn nor the Dwarf Thork is prepared for the dangers awaiting them on this quest...

**No Good Dragon Goes Unpunished** Rachel Aaron 2016-08-02 When Julius overthrew his mother and took control of his clan, he thought he was doing right by everyone. But sharing power isn't part of any proper dragon's vocabulary, and with one seat still open on the new ruling Council, all of Heartstriker is ready to do whatever it takes to get their claws on it, including killing the Nice Dragon who got them into this mess in the first place. To keep his clan together and his skin intact, Julius is going to have to find a way to make his bloodthirsty siblings play fair. But there's more going on in Heartstriker Mountain than politics. Every family has its secrets, but the skeletons in Bethesda's closet are dragon sized, and with Algonquin's war looming over them all, breaking his clan wide open might just be the only hope Julius has of saving it.

**Tainted Moonlight** Erin Kelly 2016-10-19 Five years ago, a supernatural virus changed the world as we know it. What was once the stuff of fantasy and bad horror movies suddenly is reality--werewolves and vampires exist. It isn't the end of the world, though for Korban Diego it often feels as if it is. A survivor of a vicious attack during the initial outbreak, Korban faces quarantine and curfews as well as new rules, regulations and prejudices that make it difficult for a werewolf to get his life back to normal. It's even more challenging when someone he cares about is attacked and doomed to the same fate. Now Korban must face what he has become, before the beast emerges in the tainted moonlight.

**International Thinking on Children in Museums** Sharon E. Shaffer 2020-10-13

International Thinking on Children in Museums introduces current research, theory, and practice about young learners in museums around the world. The book imparts vital knowledge about the nature of childhood and children's learning that will improve understanding of the very youngest museum-goers. Including contributions from practitioners, scholars, and consultants around the globe, this volume examines museum practices and children's learning across a range of distinct cultural and geographic locales. The framework of the book is based on research and current thinking in the realm of developmental psychology, sociology, and anthropology, allowing the contributors to examine the evolution of early learning and children's programs through a sociocultural lens. This broad-based look at international museum practices for children offers a rare view of the field from an important, but oft-neglected perspective: that of society and culture.

International Thinking on Children in Museums will broaden understanding of museum practice across cultures and geographic regions and, as such, will be of interest to scholars and students engaged in the study of museum education, museum studies, and early learning. It should also provide a much-needed source of inspiration for museum practitioners working around the world.

**Engineering BGM** Alan Brace 2007-11-01 Also known as the Libor market model, the Brace-Gatarek-Musiela (BGM) model is becoming an industry standard for pricing interest rate derivatives. Written by one of its developers, Engineering BGM builds progressively from simple to more sophisticated versions of the BGM model, offering a range of methods that can be programmed into production code to suit readers' requirements. After introducing the standard lognormal flat BGM model, the book focuses on the shifted/displaced diffusion version. Using this version, the author develops basic ideas about construction, change of measure, correlation, calibration, simulation, timeslicing, pricing, delta hedging, barriers, callable exotics (Bermudans), and vega hedging. Subsequent chapters address cross-economy BGM, the adaptation of the BGM model to inflation, a simple tractable stochastic volatility version of BGM, and Brazilian options suitable for BGM analysis. An appendix provides notation and an extensive array of formulae. The straightforward presentation of various BGM models in this handy book will help promote a robust, safe, and stable environment for calibrating, simulating, pricing, and hedging interest rate instruments.

**By Fire, By Water** Mitchell James Kaplan 2010-05-18 Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Santángel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tomás de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend's demise brings the violence close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he'd lost...the chance to hope for a better world. Christopher

Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.
