Mae Murray Michael G. Ankerich 2013-01-04 Mae Murray (1885–1965), popularly known as "the girl with the bee-stung lips," was a fiery presence in silent-era Hollywood. Renowned for her classic beauty and charismatic presence, she rocketed to stardom as a dancer in the Ziegfeld Follies, moving across the country to star in her first film, *To Have and to Hold*, in 1916. An instant hit with audiences, Murray soon became one of the most famous names in Tinseltown. However, Murray's moment in the spotlight was fleeting. The introduction of talkies, a string of failed marriages, a serious career blunder, and a number of bitter legal battles left the former star in a state of poverty and mental instability that she would never overcome. In this intriguing biography, Michael G. Ankerich traces Murray's career from the footlights of Broadway to the klieg lights of Hollywood, recounting her impressive body of work on the stage and screen and charting her rapid ascent to fame and decline into obscurity. Featuring exclusive interviews with Murray's only son, Daniel, and with actor George Hamilton, whom the actress closely befriended at the end of her life, Ankerich restores this important figure in early film to the limelight.

Googies, Coffee Shop to the Stars Steve Hayes 2008-08 In the 1940s and 1950s, the author was a fledgling actor, part-time house painter, parking attendant, "snoop" for the Fred Otash Detective Agency, and manager of Googie's, a celebrated coffee shop next to Schwab's drug store. He was privy to all the gossip, brawls, and excitement that took place at the Mocambo, Ciro's, The Players, Crescendo, Villa Nova, and other glamorous night spots along the Strip. *Straight Whisky* Erik Quisling 2003 'Straight Whisky' is the first book ever to chronicle all the music, magic and mayhem of the Sunset Strip. Erik Quisling and Austin Williams have created a unique multi-levelled portrait that is unlike any other rock book on record. With its sweeping historical analysis and down and dirty details, 'Straight Whisky' pulls no punches and leaves no stone unturned. Quisling has drawn upon extensive research to chronicle the ways in which music on the Sunset Strip has both shaped and reflected the American experience since 1964. Williams has chosen sixteen of the most memorable events from the period and developed them into dramatic narratives that offer an intensely intimate view of this incredible story. Together, along with dozens of rare photos and original interviews with the rock stars who were there when it all happened, these perspectives provide a comprehensive look at the most famous stretch of rock 'n' roll real estate on Earth: the famed 'rock block' of Sunset Boulevard. Here are the stories that have been whispered about for decades. Now they can be told out loud for the first time.

Audience-ology Kevin Goetz 2021-11-30 Discover the fascinating and secretive process of audience testing of Hollywood movies through these first-hand stories from famous filmmakers, studio heads, and stars. Audience-ology takes you to one of the most unknown places in Hollywood—a place where famous directors are reduced to tears and multi-millionaire actors to fits of rage. A place where dreams are made and fortunes are lost. This book is the chronicle of how real people have written and rewritten America's cinematic masterpieces by showing up, watching a rough cut of a new film, and giving their unfettered opinions so that directors and studios can salvage their blunders, or better yet, turn their movies into all-time classics. Each chapter informs an aspect or two of the test-screening process and then, through behind-the-scenes stories, illustrates how that particular aspect was carried out. Nicknamed "the doctor of audience-ology," Kevin Goetz shares how he helped filmmakers and movie execs confront the misses and how he recommended ways to fix the blockbusters, as well as first-hand accounts from Ron Howard, Cameron Crowe, Ed Zwick, Renny Harlin, Jason Blum, and other Hollywood luminaries who brought you such films as *La La Land*, *Chicago*, *Titanic*, *Wedding Crashers*, *Jaws*, and *Forrest Gump*. Audience-ology explores one of the most important (and most underrated) steps in the filmmaking process with enough humor, drama, and surprise to entertain those with only a spectator's interest in film, offering us a new look at movie history.

Lords of the Sunset Strip Blackie Dammett 2013-03-31 'I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought.' 'I'm eating your book! It's delicious!' Lia Mack - Portland, Oregon "Fervent shades of Jack Kerouac." Terry Wells - Brigg, England "Lords of the Sunset Strip" is the brutally honest and hilarious memoir of actor and writer Blackie Dammett—AKA John Kiedis—who happens to be the father of Red Hot Chili Peppers frontman Anthony Kiedis. Set mostly in Hollywood but with multiple national and worldwide excursions for film shoots, love affairs and drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey. It had a profound and ineffable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.

Full Service Scotty Bowers 2012-02-14 Now the subject of the hit documentary *Scotty and the Secret History of Hollywood*, praised by *Vanity Fair* as "full of revelations" and *Entertainment Weekly* as "deliciously salacious," *Full Service* is the remarkable true story of Scotty Bowers, the "gentleman hustler," during the heyday of classic Hollywood. Newly discharged from the Marines after World War II, Bowers arrived in Hollywood in 1946. Young, charismatic, and strikingly handsome, he quickly caught the eye of many of the town's stars and starlets. He began sleeping with some himself, and connecting others with his coterie of young, attractive, and sexually free-spirited friends. His own lovers included Edith Piaf, Spencer Tracy, Vivien Leigh, Cary Grant, and the abdicated King of England Edward VIII, and he arranged tricks or otherwise crossed paths with Tennessee Williams, Charles Laughton, Vincent Price, Katharine Hepburn, Rita Hayworth, Errol Flynn, Gloria Swanson, Noël Coward, Mae West, James Dean, Rock Hudson and J. Edgar Hoover, to name but a few. *Full Service* is not only a fascinating chronicle of Hollywood's sexual underground, but also exposes the hypocrisy of the major studios, who used actors to propagate a myth of a conformist, sexually innocent America knowing full well that their stars' personal lives differed dramatically from this family-friendly mold. As revelation-filled as *Hollywood Babylon*, *Full Service* provides a lost chapter in the history of the sexual revolution and is a testament to a man who provided sex, support, and affection to countless people.

Billy Wilder Billy Wilder 2001 Always daring Hollywood censors' limits on content, Billy Wilder directed greats such as Marilyn Monroe, Jack Lemmon, Ginger Rogers, Marlene Dietrich, Kirk Douglas, Audrey Hepburn, and Gary Cooper. Billy Wilder: Interviews follows the filmmaking career of one of Hollywood's most honored and successful writer-directors and spans over fifty years. Wilder, born in 1906, fled from Nazi Germany and established himself in America. Starting with a celebrated 1944 *Life* magazine profile, the book traces his progress from his Oscar-winning heyday of the 1940s to the 1990s, in which he is still witty, caustic, and defiant. Often playful and sometimes outrageous, but just as often very serious, Wilder details his rise as a Berlin cub reporter to a fledgling screenwriter in Hollywood's "Golden Age." He tells the stories behind his brilliant direction of such classics as *Double Indemnity* (1944), *The Lost Weekend* (1945), *Sunset Boulevard* (1950), *Stalag 17* (1953), *Sabrina* (1954), *The Seven-Year Itch* (1955), *Some Like It Hot* (1959), and *The Apartment* (1960), among others. A dazzling raconteur, Wilder gives the scoop on the royalty of cinema, from the maddening magic of Monroe to the uncanny empathy of frequent alter ego Lemmon. Though his natural tendency is to spin marvelous anecdotes on the subject of show business, Wilder also delivers penetrating and instructive observations on his craft. On screen, his special blend of cynicism and romanticism was always expressed in a style that avoided showiness. Billy Wilder: Interviews includes in-depth profiles, spirited Q&A's, and on-the-set glimpses of the director at work. Taken together, the interviews form an unofficial memoir of a sophisticated artist once described by a colleague as the most unusual and amusing man in Hollywood. Robert Horton is the film critic for *The Herald* in Everett, Washington. His work has been published in *Man* Comment, *New York* *Newsday*, *American Film*, and the *Seattle Weekly*. *The Hollywood Reporter* 1991
