[The Moral Intelligence of Children](#) Robert Coles 1998-01-01 NEW YORK TIMES BESTSELLER The question is more relevant now than ever before: what makes someone a moral person? Child psychiatrist and Harvard professor Robert Coles has dedicated much of his life to exemplifying, teaching, and writing about the moral life. Here, Coles illuminates the ways in which children become moral or not so moral adults, drawing on case studies, talks with parents, visits to nurseries and classrooms, and interviews with children. No subject could be more important and more timely—for all Americans, but especially for parents. In the tradition of such bestsellers as Cultural Literacy and Emotional Intelligence, The Moral Intelligence of Children identifies a new type of intelligence essential for success and fulfillment in life. It will be used by parents and teachers for years to come as the authoritative guide to children's moral development.

The Language Police Diane Ravitch 2007-12-18 If you're an actress or a coed just trying to do a man-size job, a yes-man who turns a deaf ear to some sob sister, an heiress aboard her yacht, or a bookworm enjoying a boy's night out, Diane Ravitch's internationally acclaimed The Language Police has bad news for you: Erase those words from your vocabulary! Textbook publishers and state education agencies have sought to root out racist, sexist, and elitist language in classroom and library materials. But according to Diane Ravitch, a leading historian of education, what began with the best of intentions has veered toward bizarre extremes. At a time when we celebrate and encourage diversity, young readers are fed bowdlerized texts, devoid of the references that give these works their meaning and vitality. With forceful arguments and sensible solutions for rescuing American education from the pressure groups that have made classrooms bland and uninspiring, The Language Police offers a powerful corrective to a cultural scandal.

Zlata's Diary Zlata Filipovic 2006-02-28 The child's diary that awakened the conscience of the world When Zlata's Diary was first published at the height of the Bosnian conflict, it became an international bestseller and was compared to The Diary of Anne Frank, both for the freshness of its voice and the grimness of the world it describes. It begins as the day-to-day record of the life of a typical eleven-year-old girl, preoccupied by piano lessons and birthday parties. But as war engulfs Sarajevo, Zlata Filipovic becomes a witness to food shortages and the deaths of friends and learns to wait out bombardments in a neighbor's cellar. Yet throughout she remains courageous and observant. The result is a book that has the power to move and instruct readers a world away.

Public Speaking: Concepts and Skills for a Diverse Society Clella Jaffe 2015-01-01 A culturally informed book that never loses sight of its fundamental purpose, PUBLIC SPEAKING: CONCEPTS AND SKILLS FOR A DIVERSE SOCIETY, 8e trains readers to be effective public speakers and listeners in a world filled with monumental cultural, political, and technological changes. It combines 2,500-year-old principles with up-to-date research into concepts, skills, theories, applications, and critical-thinking proficiencies essential for listening and speaking well. Blue Murder Ian David 2002 Set in Sydney in the 1970s and 1980s, 'Blue Murder' is the story of the friendship between drug dealer and robber Arthur Stanley 'Neddy' Smith and Detective Sergeant Roger 'The Dodger' Rogerson -- and the pot of gold and broken lives that friendship produced. Ian David, the writer of 'Police Crop', 'Joh's Jury' and other TV dramas, researched the story extensively. He met with Neddy Smith and conducted hundreds of interviews as well as consulting published works such as 'Darren Goodsir's Line of Fire' and Neddy Smith's own autobiography 'Neddy'. The result is a powerful and frightening story about police corruption and Sydney's underworld.

The Toilet Seat Latha 2018-02-13 It is time to get sex out of the closet. Though sex is considered a 'dirty' word in Indian society, the indispensable role it plays in our lives cannot be denied. The Toilet Seat takes a good look at how sex is perceived and portrayed in society, the social stigma attached to sex, especially the premarital and extramarital kind, and the perversions that suppression of sex can cause. The book reflects upon the grey areas in relationships, the hypocrisy of people and the so-called values that bind people in a knot, redefines perceptions, and dispels myths with respect to love, sex and the female orgasm. It also gives valuable suggestions to improve relationships by understanding the sexual needs of partners and talking about them openly. Well, what does the title of the book The Toilet Seat have to do with all this? Read on to find out.

Transformation - Turning Tragedy Into Triumph Tim Sharp 2016-04-01 Books about people who have survived an horrific event are not uncommon, but they are usually focused on one person and on how he/she survived as opposed to how he/she carried on with their lives together after the event. It is uncommon to find a collection of survivor stories written by people who have not only survived trauma but who have regrouped and gone on to bigger and better things. Transformation is a collection of stories about individuals who have survived horrific events and somehow found a way to turn their lives around, overcoming tragedy to thrive and rebuild a new, worthwhile life. The use of multiple stories allows the book to connect with readers across a wider platform than might be true if the book focused on one person's life. Each contributor tells his/her story in a chapter, and then Tim comments at the end of that chapter, analysing the life story from a psychological perspective and giving readers 'take home tips' which they can use in their own lives. The contributors tell about overcoming tragedies and health issues such as alcoholism, depression and cancer; limb amputation following a car accident; a policeman's recovery from post-traumatic stress; the death of a child; losing all the other members of your family in a family murder; and child sexual abuse.

Inclusion in Urban Educational Environments Denise E. Armstrong 2006-06-01 This book is motivated by our experiences in working with students and their families in urban communities. We are particularly concerned about the urgent imperative to address the endemic educational and societal challenges that pervade the lives of urban students, particularly those who live in poverty, are of minority and immigrant backgrounds, and are otherwise marginalized within the current educational discourses and practices. In spite of the fact that over the last 3 decades policy makers, educators and communities across the globe have called for in depth structural changes, this is rarely evidenced in the discourses, practices, and structures within academic and practitioner spheres. This reluctance, despite articulations to the contrary, can be directly linked to normative theoretical and practical perspectives that are defined by assumptions that constrain urban students within restrictive boundaries. These narrow outsider worldviews based on notions of what ought to be, combined with ignorance of the realities of students' lives focus on deviance and deficits. They blind prospective change agents to the strengths and richness that students bring, and they delimit the transformative potential of social justice praxis within urban environments. The resulting discourse, in the form of deficit beliefs, thoughts, actions, and dialogues shapes urban research, theory, and practice. We contend that in order to counteract the debilitating impacts of these harmful constructions of urban and social justice, it is important to clarify this terminology.

The Freedom Writers Diary (20th Anniversary Edition) The Freedom Writers 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, Freedom Writers: Stories from the Heart In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of “unteachable, at-risk” students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the “Freedom Writers.” Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture Freedom Writers. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.

[Government Contracts](#) Nicholas Seddon 1999 The operation of government purchasing contracts and the way the law applies to them, is the subject of thorough and penetrating analysis in this new edition of a standard work. What High Schools Don't Tell You (And Other Parents Don't Want You toKnow) Elizabeth Wissner-Gross 2007-07-19 From the author of What Colleges Don't Tell You, a plan to help parents of middle and early high school students prepare their kids for the best colleges In order to succeed in the fiercely competitive college admissions game, you need a game plan—and you have to start young. In this empowering guide, Elizabeth Wissner- Gross, a nationally sought-after college “packager,” helps parents of seventh to tenth graders create a long-term plan that, come senior year, will allow their kids to virtually write their own ticket into their choice of schools. Parents should start by helping their kids identify their academic passions, then design a four-year strategy based on those interests. The book details hundreds of opportunities available to make kids stand out that most high school guidance counselors and teachers simply don't know about or don't think to share. This indispensable guide should be required reading for any parent whose child dreams of attending one of the country's top colleges.

PostSecret Frank Warren 2005-11-29 The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the

cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

Diary of a Freedom Writer Darrius Garrett 2013 Survivor... a word continuously thought of when reading this memoir. Upon the release of The Freedom Writers Diary and film adaptation starring Hilary Swank in 2007, New York Times bestselling author Darrius Garrett realized that both book and movie tell the Freedom Writer Story as a whole, but not on a personal level. During speaking engagements, the same questions always surface: 'Did Ms. Gruwell change you? How did you make it out of the gang life? What stopped you from killing yourself?' Darrius's answers are inside. Diary of a Freedom Writer takes you on a journey beyond the classrooms to the treacherous streets of Long Beach, California. An innocent little boy born in poverty and raised in a violent environment, Darrius became a product of the streets, written off by the school and judicial systems alike, growing up in an environment full of gangs and drugs. He spent his life searching for a father figure until he became a Freedom Writer, motivational speaker, bestselling author, and finally a father himself. His story is that of a man realizing his experiences are what made him the man he has been seeking to be all his life. Upon beating the odds, Diary of a Freedom Writer serves as proof that Darrius's story of struggle, life, change, and hope will uplift, educate, encourage, and inspire.

An American Childhood Annie Dillard 2009-10-13 "[An American Childhood] combines the child's sense of wonder with the adult's intelligence and is written in some of the finest prose that exists in contemporary America. It is a special sort of memoir that is entirely successful...This new book is [Annie Dillard's] best, a joyous ode to her own happy childhood." — Chicago Tribune A book that instantly captured the hearts of readers across the country, An American Childhood is Pulitzer Prize-winning author Annie Dillard's poignant, vivid memoir of growing up in Pittsburgh in the 1950s and 60s. Dedicated to her parents - from whom she learned a love of language and the importance of following your deepest passions - this narrative tale will resonate for everyone who has ever recalled with longing playing baseball on an endless summer afternoon, caring for a pristine rock collection, or knowing in your heart that a book was written just for you.

Reading for Our Lives Maya Payne Smart 2022-08-02 An award-winning journalist and literacy advocate provides a clear, step-by-step guide to helping your child thrive as a reader and a learner. When her child went off to school, Maya Smart was shocked to discover that a good education in America is a long shot, in ways that few parents fully appreciate. Our current approach to literacy offers too little, too late, and attempting to play catch-up when our kids get to kindergarten can no longer be our default strategy. We have to start at the top. The brain architecture for reading develops rapidly during infancy, and early language experiences are critical to building it. That means parents' work as children's first teachers begins from day one too—and we need deeper knowledge to play our positions. Reading for Our Lives challenges the bath-book-bed mantra and the idea that reading aloud to our kids is enough to ensure school readiness. Instead, it gives parents easy, immediate, and accessible ways to nurture language and literacy development from the start. Through personal stories, historical accounts, scholarly research, and practical tips, this book presents the life-and-death urgency of literacy, investigates inequity in reading achievement, and illuminates a path to a true, transformative education for all.

See Me After Class Roxanna Elden 2013-11-07 The Most Dog-Eared "Teacher's Edition" You'll Have in Your Classroom Teaching is tough. And teachers, like the rest of the population, aren't perfect. Yet good teaching happens, and great teachers continue to inspire and educate generations of students. See Me After Class helps those great teachers of the future to survive the classroom long enough to become great. Fueled by hundreds of hilarious—and sometimes shocking—tales from the teachers who lived them, Elden provides tips and strategies that deal head-on with the challenges that aren't covered in new-teacher training. Lessons can go wrong. Parents may yell at you. Sunday evenings will sometimes be accompanied by the dreaded countdown to Monday morning. As a veteran teacher, Elden offers funny, practical, and honest advice, to help teachers walk through the doors of their classrooms day after day with clarity, confidence...and sanity! "A useful, empathetic guide to weathering the first-year lumps...a frothy, satisfying Guinness for the teacher's soul."—Dan Brown, NBCT, Director of the Future Educators Association, and author of The Great Expectations School "See Me After Class is a must-have book for any teacher's bookshelf. On second thought, you'll probably want to keep it on your classroom desk since you'll use it so much!"—Larry Ferlazzo, teacher and author of Helping Students Motivate Themselves "This is the kind of no-nonsense straight talk that teachers are starved for, but too rarely get...Roxanna Elden tells it like it is, with a heavy dose of practicality, a dash of cynicism, a raft of constructive suggestions, and plenty of wry humor."—Rick Hess, Director of Education Policy Studies at AEI, author of Education Week blog, "Rich Hess Straight Up"

Letters to a Young Teacher Jonathan Kozol 2007 The author shared personal reflections, anecdotes, wisdom, and guidance in his letters to Francesca, a first-year teacher, as he attempted to help her deal with the challenges she faced and encouraged her to do her best.

Enough for Cole to join her on a location-scouting trip to an isolated Pacific island, despite the family drama at home. Soon the tantalising Taryn makes Cole forget about everything...except making love to her in the moonlight. But once reality intrudes, will he risk losing all he's worked for to keep this woman in his life? Temptation On His Terms Amid growing threats to his family, studio boss Dex Hunter takes custody of his little brother -- and tries to put his routine as a Hollywood player on hold. Too bad his brother's new nanny, Shelby Scott, is so easy on the eyes! Soon Dex is determined to keep Shelby by his side. But when it comes to men, Shelby's made an unrepeatable mistake back home. Now Dex needs to prove he's ready to settle down if he wants to heat things up. One Night, Second Chance Publishing mogul Wynn Hunter discovers that the ravishing temptress who shared his bed was his childhood nemesis, Grace Munroe! The scrawny, pigtailed brat has blossomed into a dazzling beauty. Disastrous romances have made them both wary of entanglements. So when Wynn lures Grace to Australia for a family wedding, they're determined to keep things light. But when life-threatening chaos erupts in Wynn's family, can these childhood adversaries find the courage to fall in love?

Reflections and Interpretations Torbjørn Ydegaard (Ed.) 2015-05-26 "Reflections and Interpretations" is an anthology on The Freedom Writers' methodology. It is an anthology for all those with a profes-sional need for texts explaining, not only how The Freedom Writers' tools are being used, but also why they work so convincingly well. It is not an anthology of guidelines; it is an anthology of explanations based on theory. And it is an anthology written by Freedom Writer Teachers – who else could do it?

The Freedom Writers Diary Teacher's Guide Erin Gruwell 2008-09-16 A standards-based teacher's guide from the educator behind the #1 New York Times bestseller The Freedom Writers Diary, with innovative teaching techniques that will engage, empower, and enlighten. Don't miss the public television documentary Freedom Writers: Stories from the Heart In response to thousands of letters and e-mails from teachers across the country who learned about Erin Gruwell and her amazing students in The Freedom Writers Diary and the hit movie Freedom Writers, Gruwell and a team of teacher experts have written The Freedom Writers Diary Teacher's Guide, a book that will encourage teachers and students to expand the walls of their classrooms and think outside the box. Here Gruwell goes in depth and shares her unconventional but highly successful educational strategies and techniques (all 150 of her students, who had been deemed “unteachable,” graduated from Wilson High School in Long Beach, California): from her very successful “toast for change” (an exercise in which Gruwell exhorted her students to leave the past behind and start fresh) to writing exercises that focus on the importance of journal writing, vocabulary, and more. In an easy-to-use format with black-and-white illustrations, this teacher's guide will become the essential go-to manual for teachers who want to make a difference in their pupils' lives.

Teach with Your Heart Erin Gruwell 2008 The author describes her life and work as a teacher and advocate for at-risk youngsters, introducing the principles and practices of her innovative educational program designed to teach tolerance through literature and writing.

Dumplin' Julie Murphy 2015-09-15 Now a popular Netflix feature film, starring Jennifer Aniston, Danielle Macdonald, and Dove Cameron, as well as a soundtrack from Dolly Parton! The #1 New York Times bestseller and feel-good YA of the year—about Willowdean Dixon, the fearless, funny, and totally unforgettable heroine who takes on her small town's beauty pageant. Self-proclaimed fat girl Willowdean Dickson (dubbed “Dumplin'” by her former beauty queen mom) has always been at home in her own skin. Her thoughts on having the ultimate bikini body? Put a bikini on your body. With her all-American beauty best friend, Ellen, by her side, things have always worked . . . until Will takes a job at Harpy's, the local fast-food joint. There she meets Private School Bo, a hot former jock. Will isn't surprised to find herself attracted to Bo. But she is surprised when he seems to like her back. Instead of finding new heights of self-assurance in her relationship with Bo, Will starts to doubt herself. So she sets out to take back her confidence by doing the most horrifying thing she can imagine: entering the Miss Clover City beauty pageant—along with several other unlikely candidates—to show the world that she deserves to be up there as much as any girl does. Along the way, she'll shock the hell out of Clover City—and maybe herself most of all.

Teaching Hope The Freedom Writers 2009-08-18 Incredible stories of struggle, redemption, and the power of education from the teachers taught by Erin Gruwell and the #1 New York Times bestselling authors of The Freedom Writers Diary Don't miss the public television documentary Freedom Writers: Stories from the Heart “These are the most influential professionals most of us will ever meet. The effects of their work will last forever.”—From the foreword by Anna Quindlen Now documented in a bestselling book, feature film, and public television documentary, the Freedom Writers phenomenon came about in 1994, when Erin Gruwell stepped into Room 203 and began her first teaching job out of college. Long Beach, California, was still reeling from the deadly violence that erupted during the Rodney King riots, and the kids in Erin's classroom reflected the anger, resentment, and hopelessness of their community. Undaunted, Erin fostered an educational philosophy that valued and promoted diversity, tolerance, and communication, and in the process, she transformed her students' lives, as well as her own. Erin Gruwell and the Freedom Writers went on to establish the Freedom Writers Foundation to replicate the success of Room 203 and provide all students with hope and opportunities to realize their academic potential. Since then, the foundation has trained more than 800 teachers around the world. Teaching Hope unites the voices of these Freedom Writer Teachers, who share uplifting, devastating, and poignant stories from their classrooms, stories that provide insight into the struggles and triumphs of education in all of its forms. Mirroring an academic year, these dispatches from the front lines of education take us from the anticipation of the first day to the disillusionment, challenges, and triumphs of the school year. These are the voices of teachers who persevere in the face of intolerance, rigid administration, and countless other challenges, and continue to reach out and teach those who are deemed unteachable. Their stories inspire everyone to make a difference in the world around them.
