Rapidex English Speaking Course (Nepali) EDITORIAL BOARD 2015-01-09 A legendary language learning course undoubtedly! Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only. It has already benefited millions of readers across the country. Experts have unanimously declared it as the best self-study course. Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market. What is the secret of its great popularity? Maybe, a no-nonsense down-to-earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners. In any case it is not just another crash course that begins with a bang but ends with a whimper. Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time. The most important part of this self-study course is confidence building measures because it has been found from the long experience that biggest problem in the path of fluently speaking a foreign language is hesitation, that arises out of lack of confidence. Many people, who have good command over the language and are well are of its grammar and composition, can't speak the language fluently. Why? The answer is simple. While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line. This creates not only confusion but utter chaos in their mind. As a result they feel great hesitation to speak simple sentences. In some cases, however, the problem is more complex, as they lack the basic knowledge of the English language. Rapidex English Speaking Course takes care of both the cases. So, what are you waiting for? Go ahead and discover the secret of fluency in English speaking. Explore and develop your hidden potential and face the world with a new-found confidence and smartness. Only the sky should be your limit. No matter which language you know or speak, be it Hindi, Marathi, Gujarati, Tamil, Telegu, Assami, Oriya, Kannad, Punjabi, Bengali, Nepali or Urdu, with the help of this book English will no more be a foreign language for you. A must for every Indian home. #v&spublishers

While the Gods Were Sleeping Elizabeth Enslin 2014-09-23 "Love and marriage brought American anthropologist Elizabeth Enslin to a world she never planned to make her own: a life among Brahman in-laws in a remote village in the plains of Nepal. As she faced the challenges of married life, birth, and childrearing in a foreign culture, she discovered as much about human resilience, and the capacity for courage, as she did about herself. While the Gods Were Sleeping : A Journey Through Love and Rebellion in Nepal tells a compelling story of a woman transformed in intimate and unexpected ways. Set against the backdrop of increasing political turmoil in Nepal, Enslin's story takes us deep into the lives of local women as they claim their rightful place in society--and make their voices heard"--Provided by publisher.

Indistractable Nir Eyal 2019-09-10 "Indistractable provides a framework that will deliver the focus you need to get results." –James Clear, author of Atomic Habits "If you value your time, your focus, or your relationships, this book is essential reading. I'm putting these ideas into practice." –Jonathan Haidt, author of The Righteous Mind National Bestseller Winner of the Outstanding Works of Literature (OWL) Award Included in the Top 5 Best Personal Development Books of the Year by Audible Included in the Top 20 Best Business and Leadership Books of the Year by Amazon Featured in The Amazon Book Review Newsletter, January 2020 Goodreads Best Science & Technology of 2019 Finalist You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become "indistractable?" International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing Hooked, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In Indistractable, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. Indistractable reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: • Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it • What really drives human behavior and why "time management is pain management" • Why your relationships (and your sex life) depend on you becoming indistractable • How to raise indistractable children in an increasingly distracting world Empowering and optimistic, Indistractable provides practical, novel techniques to control your time and attention—helping you live the life you really want.

Notes of a Naive Traveler Jennifer S. Alderson 2017-05-31 I never thought I would have reason to say to someone, "Sorry I'm late, it took longer to dismember the goat than originally planned." I was twenty-six years old, worked at a well-paid job, rented a fantastic apartment, and enjoyed a large circle of friends. I had everything, except I didn't. I couldn't shake the feeling I was missing out on the experience of living. Part guidebook on culture and travel, part journey of self-discovery, this travelogue takes you on a backpacking adventure through Nepal and Thailand and provides a firsthand account of one volunteer's experience teaching in a Nepali school and living with a devout Brahmin family. Trek with me through the bamboo forests and terraced mountaintops of eastern Nepal, take a wild river-rafting ride in class IV waters, go on an elephant ride and encounter a charging rhinoceros on jungle walks in Chitwan National Park, sea-kayak the surreal waters of Krabi, and snorkel in the Gulf of Thailand. Join me on some of the scariest bus rides you could imagine, explore beautiful and intriguing temples, experience religious rituals unknown to most Westerners, and visit mind-blowing places not mentioned in your typical travel guides. Notes of a Naive Traveler is a must-read for those interested in learning more about - or wishing to travel to - Nepal and Thailand. I hope it inspires you to see these amazing countries for yourself. Includes 25 photos of Nepal and Thailand, taken by the author during her trip. Winner of a Readers' Favorite 5 Star Medal.

A Foundation in Nepali Grammar Christopher Jay Manders 2007 This book is written for people who love life, for a classic romantic person with a tender heart and a strong feeling for a passionate and tender loving. For those forever young, whose lives are more than ordinary, but romantic with and fascinated by a loved one; which is present or absent. A weep for a lost one and the pursue of recovery. For those who love life, beyond the view of the normal existence. These are messages for the non-ordinary people, but for those special ones with emotional attachments, with high purity of love. For people with romantic involvement, to court, or to woo that special someone in his or her life. Because love is more than a word, it is a mysterious and magical power that involves everyone and changes our destinies forever. Love is a tender attachment between two lovers, which is so ardent, emotional, and with such strong fascination and beautiful feelings that eventually you will be the object of such passion. Yes, you will be enamored, charmed, captivated, and in love with someone who is already out there looking for you; and when you look at that person, you will notice right away it's right there for you. You will be overcome in a swirl of intense desire, love, and passion, and you cannot do anything about it. Simply, it will be irresistible. Dan Vega
