Seafire Natalie C. Parker 2018-08-28 A warlord killed Caledonia's parents and kidnapped her brother. Now, on the deadly Bullet seas, Captain Caledonia Styx and her all-female crew are ready for revenge. "This is Mad Max by way of Davy Jones, a high-energy, breathless adventure [about] a group of damaged girls who find home in one another." --Booklist "The pace of the book is fast and relentless, and the action sequences tense and believable, but the best moments are the ones in which the female relationships shine." --NPR "One of the most spell-binding adventures of the year. This is female piracy at its best." --The San Francisco Chronicle "The best kind of fantasy. . . . impossible to put down." --Paste After her family is killed by corrupt warlord Aric Athair and his bloodthirsty army of Bullets, Caledonia Styx is left to chart her own course on the dangerous and deadly seas. She captains her ship, the Mors Navis, with a crew of girls and women just like her, who have lost their families and homes because of Aric and his men. The crew has one mission: stay alive, and take down Aric's armed and armored fleet. But when Caledonia's best friend and second-in-command barely survives an attack thanks to help from a Bullet looking to defect, Caledonia finds herself questioning whether to let him join their crew. Is this boy the key to taking down Aric Athair once and for all...or will he threaten everything the women of the Mors Navis have worked for? The first in a heart-stopping trilogy that recalls the undeniable feminine power of Wonder Woman and the powder-keg action of Mad Max: Fury Road, Seafire reminds us of the importance of sisterhood and unity in the face of oppression and tyranny.

Hellhole Inferno Brian Herbert 2014-08-12 The planet HELLHOLE, devastated by an ancient asteroid impact, is inhabited by only the hardest and most desperate colonists. It is one of 54 remote frontier worlds forced to pay tribute to the corrupt Constellation, which is ruled by decadent nobles. An exiled rebel general, Tiber Adolphus, has now mounted a second rebellion against the Constellation, much larger than his earlier failed attempt. This time Adolphus aligns himself with the Xayans, a resurrected alien race from Hellhole. As the ancient civilization awakens, the Xayans encourage colonists to immerse themselves in strange "slickwater" pools and acquire ancient alien memories. Their goal is to gather sufficient numbers to achieve ala'ru, an accelerated evolution that will transform them into godlike beings. General Adolphus rallies his fellow rebels from across the vast Deep Zone to fight for their independence, while the ruthless leader of the Constellation, Diadem Michella, vows to eradicate the rebellion and all colonists on Hellhole. The Xayans add their "telemancy" defenses to the General's conventional military resources, until they reveal an enemy far more terrifying than the Army of the Constellation: a faction of rogue Xayans bent on the extermination of their race . . . and the destruction of any planet that happens to be in the way. As a barrage of deadly asteroids hurtles toward Hellhole, and the Constellation's gigantic space fleet arrives for a final engagement against General Adolphus, the hardy settlers are caught between a human enemy that wants to raze their colony to the ground and much more powerful aliens who can destroy not only themselves, but human civilization, as well as the foundations of the universe itself. The Genesis Fleet Jack Campbell 2019-05-28 A young fleet officer and a Marine must stand together to defend their neighbors and their colony in this thrilling finale to the powerful and action-packed Genesis Fleet saga from New York Times bestselling author Jack Campbell. The recently colonized world of Glenlyon has learned that they're stronger when they stand with other star systems than they are on their own. But after helping their neighbor Kosatka against an invasion, Glenlyon has become a target. The aggressive star systems plan to neutralize Glenlyon before striking again. An attack is launched against Glenlyon's orbital facility with forces too powerful for fleet officer Rob Geary to counter using their sole remaining destroyer, Saber. Mele Darcy's Marines must repel repeated assaults while their hacker tries to get into the enemy systems to give Saber a fighting chance. To survive, Glenlyon needs more firepower, and the only source for that is their neighbor Kosatka or other star systems that have so far remained neutral. But Kosatka is still battling the remnants of the invasion forces on its own world, and if it sends its only remaining warship to help will be left undefended against another invasion. While Carmen Ochoa fights for the freedom of Kosatka, Lochan Nakamura must survive assassins as he tries to convince other worlds to join a seemingly hopeless struggle. As star systems founded by people seeking freedom and autonomy, will Kosatka, Glenlyon and others be able to overcome deep suspicions of surrendering any authority to others? Will the free star systems stand together in a new Alliance, or fall alone?

The Lost Fleet Jack Campbell 2011 Determined not to leave any of his people behind, Captain 'Black Jack' Geary orders the fleet to strike hard and fast to free the POWs held in a heavily guarded Syndic camp.

The Lost Fleet: Beyond the Frontier: Guardian Jack Campbell 2013-05-07 Admiral Geary's First Fleet of the Alliance has survived the journey deep into unexplored interstellar space, a voyage that led to the discovery of

new alien species, including a new enemy and a possible ally. Now Geary's mission is to ensure the safety of the Midway Star System, which has revolted against the Syndicate Worlds empire—an empire that is on the brink of collapse. To complicate matters further, Geary also needs to return safely to Alliance space not only with representatives of the Dancers, an alien species, but also with Invincible, a captured warship that could possibly be the most valuable object in human history. Despite the peace treaty that Geary must adhere to at all costs, the Syndicate Worlds regime threatens to make the fleet's journey back grueling and perilous. And even if Geary escorts Invincible and the Dancers' representatives home unharmed, the Syndics' attempts to spread dissent and political unrest may have already sown the seeds of the Alliance's destruction...

Blueshift Joshua Dalzelle 2019-07-20 If you could be the first to lay eyes upon a planet orbiting a distant star, would you go? If it meant that when you returned home—if you returned home—everyone you knew would have been dead for centuries, would you still go? The members of the Polaris Project knew what they were giving up when they volunteered to fly to the star named Angel-21, but the allure of being the first explorers to leave the Solar System far outweighed the risks. As it turned out, the most dangerous thing they faced wasn't the mission ... it was the homecoming. Eight hundred years have passed and Earth is nothing like they thought it would be. As Commander Markus Brentwood scrambles to uncover the mystery of what's happened to Earth in their absence, he also must contend with an increasingly dysfunctional crew and a damaged ship that's flying on borrowed time. What should have been a joyous return home after a long, hard mission has turned into a race to see which nightmare would kill them first. *Blueshift* is an all new sci-fi adventure from Joshua Dalzelle, author of the bestselling *Omega Force Series* and *Black Fleet Saga*.

By Schism Rent Asunder David Weber 2008-07-22 The sequel to the New York Times best seller *Off Armageddon Reef* The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin—a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. *Schism* has come to the world of *Safehold*. Nothing will ever be the same... in David Weber's *By Schism Rent Asunder*. *Safehold Series* 1. *Off Armageddon Reef* 2. *By Schism Rent Asunder* 3. *By Heresies Distressed* 4. *A Mighty Fortress* 5. *How Firm A Foundation* 6. *Midst Toil and Tribulation* 7. *Like A Mighty Army* 8. *Hell's Foundations* 9. *At the Sign of Triumph* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Ascendant Jack Campbell 2019-04-02 A young fleet officer and a Marine stand together to defend their colony in the continuation of the powerful and action-packed *Genesis Fleet* saga from New York Times bestselling author Jack Campbell. In the three years since former fleet officer Rob Geary and former Marine Mele Darcy led improvised forces to repel attacks on the newly settled world of Glenlyon, tensions have only gotten worse. When one of Glenlyon's warships is blown apart trying to break the blockade that has isolated the world from the rest of human-colonized space, only the destroyer *Saber* remains to defend it from another attack. Geary's decision to take *Saber* to the nearby star *Kosatka* to safeguard a diplomatic mission is a risky interpretation of his orders, to say the least. *Kosatka* has been fighting a growing threat from so-called rebels—who are actually soldiers from aggressive colonies. When a "peacekeeping force" carrying thousands of enemy soldiers arrives in *Kosatka*'s star system, the people of that world, including Lochan Nakamura and former "Red" Carmen Ochoa, face an apparently hopeless battle to retain their freedom. It's said that the best defense is a good offense. But even if a bold and risky move succeeds, Geary and Darcy may not survive it...

Swords and Saddles Jack Campbell 2013-02-12 The New York Times bestselling author of the *Lost Fleet* series tells tales of an alien ambush, time-traveling cavalymen, and a military lawyer in space. In his

New York Times bestselling *Lost Fleet* series, author Jack Campbell has taken readers and Captain "Black Jack" Geary on a fast-paced journey of conquest across vast reaches of space. Now, in the three novellas contained in *Swords and Saddles*, first in a series of short fiction collections from Jack Campbell, readers can explore the entire universe of Campbell's fiction. A new author's note accompanies each story. Begin by entering "The Rift." Answering a distress call from a colonized planet, a combat team finds themselves ambushed. They manage to scabble their way to a remote research facility in the countryside, joining a group of schoolchildren that have holed up with the researchers—three groups united in fear that their lives will last only as long as they can avoid discovery by the aliens that have come to their planet. When the aliens do come, it becomes clear that despite all the years of research, the humans' understanding of the aliens is woefully incomplete. "Swords and Saddles" is one of several alternate history stories that Jack Campbell has written. When lightning strikes Captain Ulysses Benton and his U.S. Cavalry Fifth Regiment, they recover to find an ancient structure in the desert that they've never seen before—and writing in a language none of them recognize. When the next find themselves skirmishing with soldiers wearing armor more appropriate to Roman centurions than 1870s Kansas, it becomes clear that wherever it is they are, it isn't Kansas. But where are they, then? And how do they make their way home? The *Lost Fleet* isn't the only Jack Campbell series full of outer space intrigue. "Failure to Obey" is a novella in his Paul Sinclair series. When Lieutenant Jen Shen saves the day after a terrorist attack on a space station, she gets a medal, but Ivan Sharpe, a fellow officer and Paul's former master-at-arms, gets a court martial. In a classic court martial scene that rivals the best in American literature, Paul must work behind the scenes to save Ivan's military career.

Steadfast Jack Campbell (Naval officer) 2015-04-28 New York Times bestselling author Jack Campbell continues his "series of fast-paced adventure" (SFR) as *The Lost Fleet: Beyond the Frontier* continues... Admiral John "Black Jack" Geary and the crew of *Dauntless* have safely escorted important alien representatives to Earth. But before they can depart for home, two of Geary's key lieutenants vanish. The search for his missing men leads Geary on a far-flung chase, ultimately ending at the one spot in space from which all humans have been banned: the moon Europa. Any ship that lands there must stay or be destroyed? Leaving Geary to face the most profound moral dilemma of his life. To make matters worse, strains on the Alliance are growing as the Syndics continue to meddle. Geary is ordered to take a small force to the border of Syndic space. But what he finds there is a danger much greater than anyone expected: a mysterious threat that could finally force the Alliance to its knees?

The Lost Fleet: Corsair #1 Jack Campbell 2017-06-07 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} Jack Campbell, the author behind the *Lost Fleet* novels, is now bringing his best-selling sci-fi series to comics. *The Lost Fleet: Corsair* features all the engaging character elements that have helped make the *Lost Fleet* novels such an incredible success – but this time, the series' epic space battles are brought to stunning life thanks to incredible visuals from Andrew Siregar (Sevara), complimented by color work by Sebastian Cheng (Orphan Black, *The X-Files*). Imprisoned by the Syndics, Michael Geary's one chance lies in *Destina Aragon* – determined commander of a regiment of hardened soldiers now caught up in a wide scale rebellion within Syndic space. Seeking to escape both their prison and Syndic space, will Geary and Aragon join forces to get home – or will the hatreds stirred by a decades-old war kill them both?

The Lost Fleet: Beyond the Frontier: Leviathan Jack Campbell 2015-05-05 "One of the best military science fiction series on the market," (Monsters and Critics) The *Lost Fleet* delivers thrilling combat on a grand space opera scale. Now, Admiral John "Black Jack" Geary embarks on a brand new mission—to defend the Alliance from itself—in New York Times bestselling author Jack Campbell's latest action-packed novel... Two Syndicate World star systems have fallen prey to a mysterious fleet of warships—a fleet controlled entirely by artificial intelligence—that is now targeting Alliance space. The warships are no mystery to Geary. They were developed by his government to ensure security, but malfunctioned. If the Syndics learn the truth, the war with the Alliance will resume with a vengeance. As the government attempts to conceal the existence of the A.I. warships—and its role in their creation—Geary pursues them, treading a fine line between mutiny and obedience. But it soon becomes clear that his fleet is no match for the firepower of the machine-piloted armada. With the help of the *Dancer* species of aliens, Geary has tracked the A.I. ships to their secret base in the supposedly mythical *Unity Alternate* star

system where his fleet, the last hope of the Alliance's future, will end the conflict at any cost...

Resolute Jack Campbell 2022-06-28 Admiral John "Black Jack" Geary must battle dangers both within and without the Alliance, in this exciting continuation of the New York Times bestselling series. Geary knows that some political factions in the Alliance were just trying to get rid of him when he was assigned to escort a diplomatic and scientific mission to the far reaches of humanity's expansion into the galaxy . . . and beyond. But he views his mission as both a duty and an opportunity to make things better wherever he can. And when a crippled Rift Federation ship tumbles out of jump space, Geary leaps into action. But the survivors' story isn't completely adding up. As Geary investigates, he soon finds himself fending off spies and assassins while leading the fleet as it fights its way across space controlled by the mysterious and hostile aliens whom humans call enigmas. Challenges arrive at every turn, including an unknown alien species that invites the fleet to visit one of their star systems. With little information to go on, Geary must weigh the benefits of potential new allies against the possibility of a trap. The fate of the fleet—and perhaps even the future of humanity—will depend on him making the right decision. If he can stay alive long enough to do that.

The Vanity Fair Diaries Tina Brown 2017-11-14 Named one of the best books of 2017 by Time, People, The Guardian, Paste Magazine, The Economist, Entertainment Weekly, & Vogue Tina Brown kept delicious daily diaries throughout her eight spectacular years as editor-in-chief of Vanity Fair. Today they provide an incendiary portrait of the flash and dash and power brokering of the Excessive Eighties in New York and Hollywood. The Vanity Fair Diaries is the story of an Englishwoman barely out of her twenties who arrives in New York City with a dream. Summoned from London in hopes that she can save Condé Nast's troubled new flagship Vanity Fair, Tina Brown is immediately plunged into the maelstrom of the competitive New York media world and the backstabbing rivalries at the court of the planet's slickest, most glamour-focused magazine company. She survives the politics, the intrigue, and the attempts to derail her by a simple stratagem: succeeding. In the face of rampant skepticism, she triumphantly reinvents a failing magazine. Here are the inside stories of Vanity Fair scoops and covers that sold millions—the Reagan kiss, the meltdown of Princess Diana's marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. In the diary's cinematic pages, the drama, the comedy, and the struggle of running an "it" magazine come to life. Brown's Vanity Fair Diaries is also a woman's journey, of making a home in a new country and of the deep bonds with her husband, their prematurely born son, and their daughter. Astute, open-hearted, often riotously funny, Tina Brown's *The Vanity Fair Diaries* is a compulsively fascinating and intimate chronicle of a woman's life in a glittering era.

Relentless Yngwie J. Malmsteen 2013-04-15 The rock-and-roll memoir of one of the world's greatest guitarists Yngwie Malmsteen's revolutionary guitar style—combining elements of classical music with the speed and volume of heavy metal—made him a staple of the 80s rock scene. Decades later, he's still a legend among guitarists, having sold 11 million albums and influenced generations of rockers since. In *Relentless*, Malmsteen shares his personal story, from the moment he burst onto the scene seemingly out of nowhere in the early 80s to become a household name in the annals of heavy metal. Along the way, he talks about his first bands, going solo, his songwriting and recording process, and the seedy side of the rock business. Malmsteen was named one of Time magazine's ten greatest electric guitar players The author's most recent album, *Spellbound*, was released in December 2012 Ideal for guitar players, heavy metal fans, and those who enjoy rock memoirs

Beyond the Frontier Jack Campbell 2012 Awakened from a cryogenic sleep to win the century-long conflict between the Alliance and the Syndicate Worlds, Captain John "Black Jack" Geary discovers that his loyalty is being questioned and suspects that he is being deliberately sent on a suicide mission.

Boundless Jack Campbell 2021-06-15 Admiral John "Black Jack" Geary may have saved the Alliance only to destroy it, in this thrilling and eagerly awaited continuation of the New York Times bestselling series. Geary believed in the Alliance. Even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved in secret programs and prison camps, he believed it was worth saving. And that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the Alliance to crumble. But after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system, Geary realizes

that some have decided the easiest way to make the Alliance's problems go away is to get rid of him. He finds himself ordered to undertake a perilous new mission outside of the reaches of human-occupied space while the Senate clashes over the evidence. Geary's warships must escort a diplomatic and scientific mission across the dangerous, disintegrating remnants of the Syndicate Worlds empire. But even if he can make it to Midway Star System, the gateway to alien-controlled space, Geary will face former Syndicate officials who have rebelled and regard the Alliance with deep suspicion. And that will be the easy part. . . .

The Lost Fleet: Beyond the Frontier: Dreadnaught Jack Campbell 2011-04-26 View our feature on Jack Campbell's *The Lost Fleet: Beyond the Frontier: Dreadnaught*. The New York Times bestselling series that delivers "edge-of-your-seat combat" (Elizabeth Moon, author of the *Vatta's War* series). The Alliance woke Captain John "Black Jack" Geary from cryogenic sleep to take command of the fleet in the century-long conflict against the Syndicate Worlds. Now Fleet Admiral Geary's victory has earned him the adoration of the people—and the enmity of politicians convinced that a living hero can be a very inconvenient thing. Geary knows that members of the military high command and the government question his loyalty to the Alliance and fear his staging a coup—so he can't help but wonder if the newly christened First Fleet is being deliberately sent to the far side of space on a suicide mission.

The Lost Fleet: Beyond the Frontier: Leviathan Jack Campbell 2016-04-26 "Two Syndicate Worlds star systems have fallen prey to a mysterious fleet of warships, a fleet controlled entirely by artificial intelligence that is now targeting Alliance space. The warships are no mystery to Geary. They were developed by his government to ensure security, but malfunctioned. The A.I. Gene Vaughn Heppner 2017-04-05 We don't know when it happened. But somewhere an alien species built a strong artificial intelligence. The AI became independent, powerful, and it started killing biological infestations—Life—any life, all life. It has been killing life forms ever since as it grew into a vast armada of Death. Jon Hawkins and his team captured the AI Destroyer invading the Solar System. The genocidal assault should have been over, but it's not. An alien AI strand from the cybership survived in the distant Kuiper Belt. The strand has been multiplying and taking over by turning people into robots in order to build another super-ship. The human race is in a grim war for survival against the most relentless, most ruthless enemy in the galaxy.

The Lost Fleet: Valiant 2008 CAMPBELL/LOST FLEET VALIANT *Vanguard* Jack Campbell (Naval officer) 2017 Jack Campbell returns to the world of the New York Times bestselling *Lost Fleet* novels with a new action-packed military science fiction series that explores the founding of the Alliance . . . and the men and women who fought to create it. Earth is no longer the center of the universe. After the invention of the faster-than-light jump drive, humanity is rapidly establishing new colonies. But the vast distances of space mean that the old order of protection and interstellar law offered by Earth has ceased to exist. When a nearby world attacks, the new colony of Glenlyon turns to Robert Geary, a young former junior fleet officer, and Mele Darcy, a onetime enlisted Marine. With nothing but improvised weapons and a few volunteers, Geary and Darcy must face down warships and armored soldiers—or die trying. As battles rage and pirates take an increasing toll throughout the colonies, the only hope for lasting peace lies with Carmen Ochoa, a "Red" from the anarchic world of Mars, and Lochan Nakamura, a failed politician. They have a plan: to lay the groundwork for mutual defense that could someday grow into an alliance. But if their efforts don't succeed, the growing power of aggressor worlds could turn regions of space founded on freedom into battlefields between the first interstellar empires...

Ad Astra Jack Campbell 2013-02-12 From the author of the New York Times–bestselling *Lost Fleet* series comes 11 action-packed stories of space exploration. In Jack Campbell's *Lost Fleet* series, Campbell's hero Captain "Black Jack" Geary explores the furthest reaches of space. Here, Campbell explores what kinds of problems mankind might face as our horizons expand. The third in a series of collections of Campbell's short stories includes some of Campbell's favorite stories, and some of his earliest. A brand-new author's note accompanies each story. "Lady Be Good" is one of Campbell's most popular stories, winner of *Analog* magazine's "AnLab" reader poll for Best Short Story and cited in Gardner

Dozois's Year's Best SF. The *Lady Be Good* is an old ship, running obscure routes (not all on the right side of the law), with her loyal first officer Kilcannon and reclusive captain. When Kilcannon decides to rescue the survivors of an attack on a Vestral Company ship, a mysterious new passenger thanks him by asking difficult questions about the *Lady*, with unexpected answers. In "Kyrie Eleison," the Verio shipwrecked centuries ago on an out-of-the-way planet, and the descendants of the ship's survivors have gotten along as well as they can by following the orders that were passed on to them. But those orders weren't intended to govern life on the planet's surface, and when the *Bellegrange* arrives on a rescue mission, her captain will have to reckon with the unexpected social order on the planet. In "Do No Harm", a ship is so technologically advanced that it can repair itself—but turning over the keys might not be the best idea. And in "Down the Rabbit Hole," a series of failed attempts at faster-than-light travel lead to a novel approach: sending an untested Naval captain out in a space ship to see if he can figure out what's gone wrong. With eleven stories in all, *Ad Astra* is the most multi-faceted introduction to the short fiction of Jack Campbell, and an essential complement to his bestselling book-length work.

The Lost Fleet: Relentless 2009 After rescuing POWs from a labor camp in the Heradao Star System, Captain John "Black Jack" Geary discovers that the Syndics plan to ambush his fleet, forcing him to jump from one star system to the next in an effort to avoid the enemy.
