Switchblade Michael Connelly 2014-01-14 In this original short story from #1 New York Times bestselling author Michael Connelly, LAPD

Detective Harry Bosch seeks justice for the forgotten NOTE: This file includes a preview of Michael Connelly's novel *The Crossing*. In "Switchblade," an

anonymous tip puts Bosch on a case that has remained unsolved for decades, the vicious stabbing of a teenage boy whose body was found in an abandoned Old Hollywood restaurant. Cold cases are often the toughest: With no body, no murder scene, and no fingerprints, Bosch nevertheless gets lucky when DNA evidence from the murder weapon points to a known killer. But the DA insists that science alone is not enough - he needs the case to be bulletproof before he'll take it to court. Determined to speak for those who can no longer speak for themselves, Bosch has one chance to wrench a confession out of a cold-blooded killer, or risk letting him walk free for good. In this gripping, never-before-published story by "master of the crime thriller" (Huffington

Post) Michael Connelly, Detective Harry Bosch quenches his thirst for justice and shows why he is "one of the most popular and enduring figures in American crime fiction" (Chicago Tribune).

The Poet Michael Connelly 2003-04-29 FROM THE #1 BESTSELLING AUTHOR OF THE HARRY BOSCH AND LINCOLN LAWYER SERIES An electrifying standalone thriller that breaks all the rules! With an introduction by Stephen King. Death is reporter Jack McEvoy's beat: his calling, his obsession. But this time, death brings McEvoy the story he never wanted to write-- and the mystery he desperately needs to solve. A serial killer of unprecedented savagery and cunning is at large. His targets: homicide cops, each haunted by a murder case he couldn't crack. The

killer's calling card: a quotation from the works of Edgar Allan Poe. His latest victim is McEvoy's own brother. And his last...may be McEvoy himself.

The Overlook Michael Connelly 2007-05-22 Near Mulholland Drive, Dr. Stanley Kent is found shot twice in the back of the head. It's the case LAPD detective Harry Bosch has been waiting for, his first since being recruited to the Homicide Special Squad. When he discovers that Kent had access to dangerous radioactive substances, what begins as a routine investigation becomes something darker, more deadly, and frighteningly urgent. Bosch is soon in conflict with not only his superiors but the FBI, which thinks the case is too important for just a cop. Complicating his job

even more is the presence of Agent Rachel Walling, his onetime lover. Now guarding one slim advantage, Bosch relentlessly follows his own instincts, hoping they are still sharp enough to find the truth--and a killer who can annihilate an entire city.

The Narrows Michael Connelly 2014-11-25 FBI agent Rachel Walling finally gets the call she's dreaded for years, the one that tells her the Poet has surfaced. She has never forgotten the serial killer who wove lines of poetry in his hideous crimes--and apparently he has not forgotten her. Former LAPD detective Harry Bosch gets a call, too--from the widow of an old friend. Her husband's death seems natural, but his ties to the hunt for the Poet make Bosch dig deep. Arriving at a derelict spot in the

California desert where the feds are unearthing bodies, Bosch joins forces with Rachel. Now the two are at odds with the FBI...and squarely in the path of the Poet, who will lead them on a wicked ride out of the heat, through the narrows of evil, and into a darkness all his own...

The Fifth Witness

Michael Connelly

2011-04-05 INSPIRATION FOR THE ORIGINAL SERIES THE LINCOLN LAWYER – COMING SOON TO NETFLIX

After taking on a foreclosure case, defense attorney Mickey Haller must prove his client's innocence -- but first he must follow a trail of black market evidence to its sinister end. Mickey Haller has fallen on tough times. He expands his business into foreclosure defense, only to see one of his clients accused of killing the banker

she blames for trying to take away her home.

Mickey puts his team into high gear to exonerate Lisa Trammel, even though the evidence and his own suspicions tell him his client is guilty. Soon after he learns that the victim had black market dealings of his own, Haller is assaulted, too -- and he's certain he's on the right trail.

Despite the danger and uncertainty, Haller mounts the best defense of his career in a trial where the last surprise comes after the verdict is in. Connelly proves again why he "may very well be the best novelist working in the United States today" (San Francisco Chronicle).

Connelly's great LAPD homicide detective, maverick Hieronymus (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's

drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

Michael Connelly
introduces Renee
Ballard, a fierce young
detective fighting to
prove herself on the
LAPD's toughest beat--
the Late Show. Renee
Ballard works the
midnight shift in
Hollywood, beginning
many investigations but
finishing few, as each
morning she turns
everything over to the
daytime units. It's a
frustrating job for a
once up-and-coming
detective, but it's no
accident. She's been
given this beat as
punishment after filing
a sexual harassment
complaint against a
supervisor. But one
night Ballard catches
two assignments she
doesn't want to part
with. First, a
prostitute is brutally
beaten and left for dead
in a parking lot. All

signs point to a crime
of premeditation, not
passion, by someone with
big evil on his mind.
Then she sees a young
waitress breathe her
last after being caught
up in a nightclub
shooting. Though dubbed
a peripheral victim, the
waitress buys Ballard a
way in, and this time
she is determined not to
give up at dawn. Against
orders and her partner's
wishes, she works both
cases by day while
maintaining her shift by

featuring a bold and
defiant new heroine, The

Late Show is yet more proof that Michael Connelly is "a master of the genre" (Washington Post).

Lost Light Michael Connelly 2003-04-01 In this New York Times bestseller, retired LAPD detective Harry Bosch wants justice for a murdered production assistant -- but without his police badge, can he take down a powerful and ruthless killer? The vision has haunted him for four years -- a young woman lying crumpled in death, her hand outstretched in silent supplication. Harry Bosch was taken off the Angella Benton murder case when the production assistant's death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the L.A.P.D., Bosch is determined to find

justice for Angella. Without a badge to open doors and strike fear into the guilty, he's on his own. And even in the face of an opponent more powerful and ruthless than any he's ever encountered, Bosch is not backing down.

The Last Coyote Michael Connelly 2003-04-29 Suspended from his job with the LAPD, Harry Bosch must face the darkest parts of his past to track down his mother's killer . . . even if it costs him his life. Harry Bosch's life is on the edge. His earthquake-damaged home has been condemned. His girlfriend has left him. He's drinking too much. And after attacking his commanding officer, he's even had to turn in his L.A.P.D. detective's badge. Now, suspended indefinitely pending a psychiatric evaluation, he's spending his time investigating an

unsolved crime from 1961: the brutal slaying of a prostitute who happened to be his own mother. Even after three decades, Harry's questions generate heat among L.A.'s top politicians. And as the truth begins to emerge, it becomes more and more apparent that someone wants to keep it buried. Someone very powerful...very cunning...and very deadly. Edgar Award-winning author Michael Connelly has created a dark, fast-paced suspense thriller that cuts to the core of Harry Bosch's character. Once you start it, there's no turning back. **The Black Echo** Michael Connelly 2002-01-01 An LAPD homicide detective must choose between justice and vengeance as he teams up with the FBI in this "thrilling" novel filled with mystery and adventure

(New York Times Book Review). For maverick LAPD homicide detective Harry Bosch, the body in the drainpipe at Mulholland Dam is more than another anonymous statistic. This one is personal . . . because the murdered man was a fellow Vietnam "tunnel rat" who had fought side by side with him in a hellish underground war. Now Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist beneath the city, his survival instincts will once again be tested to their limit. Pitted against enemies inside his own department and forced to make the agonizing choice between justice and vengeance, Bosch goes on the hunt for a killer whose true face will shock him.

2002-01-01 Detective Harry Bosch was sure he'd shot the serial killer responsible for a string of murders in LA . . . but now, a new crime makes him question his convictions. The Dollmaker was the name of the serial killer who had stalked Los Angeles ruthlessly, leaving grisly calling cards on the faces of his female victims. Now with a single faultless shot, Detective Harry Bosch thinks he has ended the city's nightmare. But the dead man's widow is suing Harry and the LAPD for killing the wrong man-- an accusation that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. So for the second time, Harry must hunt down a death-dealer who is very much alive,

before he strikes again. It's a blood-tracked quest that will take Harry from the hard edges of the L.A. night to the last place he ever wanted to go-- the darkness of his own heart. With *The Concrete Blonde*, Edgar Award-winning author Michael Connelly has hit a whole new level in his career, creating a breathtaking thriller that thrusts you into a blistering courtroom battle-- and a desperate search for a sadistic killer.

Connelly 2015-11-03 In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the

chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street

Journal).

Trunk Music Michael Connelly 2002-01-01 Back on the job after an involuntary leave of absence, LAPD homicide detective Harry Bosch is ready for a challenge. But his first case is a little more than he bargained for. It starts with the body of a

Hollywood producer in the trunk of a Rolls-Royce, shot twice in the head at close range - what looks like "trunk music," a Mafia hit. But the LAPD's organized crime unit is curiously uninterested, and when Harry follows a trail of gambling debts to Las Vegas, the case suddenly becomes more complex - and much more personal. A rekindled romance with an old girlfriend opens new perspectives on the murder, and he begins to glimpse a shocking triangle of corruption and collusion. Yanked off the case, Harry himself is soon the one being investigated. But only a bullet can stop Harry when he's searching for the truth . . .

The Narrows Michael Connelly 2009-12-23 He's back . . . Private investigator Harry Bosch confronts a villain who's long been in

hiding - a fiend known as The Poet. Former FBI agent Rachel Walling is working a dead-end stint in South Dakota when she gets the call she's been dreading for four years. The Poet is back. And he has not forgotten Rachel. He has a special present for her. Harry Bosch is adjusting to life in Las Vegas as a private investigator and a new father. He gets a call, too, from the widow of a friend who died recently. Previously in his FBI career, the friend worked on the famous case tracking the killer known as The Poet. This fact alone makes some of the elements of his death doubly suspicious. And Harry Bosch is heading straight into the path of the most ruthless and inventive murderer he has ever encountered. . .

The Scarecrow Michael Connelly 2009-05 "As a rookiecrime reporter, Jack McEvoy stumbled onto a story that made his name - and almost got him killed - When he helped track down a serial killer nicknamed The Poet. Twelve years later, the former hot-

shot is about to become the latest victim of budget cuts at the LA times - but Jack is determined to go out in a blaze of glory, with one last big story.

Echo Park Michael Connelly 2006-10-09 Just as he's on the verge of cracking an unsolved case, Detective Harry Bosch discovers an old clue that could have saved lives -- and the guilt begins to haunt him. In 1995, Marie Gesto disappeared after walking out of a supermarket in Hollywood. Harry Bosch worked the case but couldn't crack it, and the 22-year-old woman never turned up, dead or alive. Now Bosch is in the Open-Unsolved Unit, where he still keeps the Gesto file on his desk, when he gets a call from the DA. A man accused of two heinous killings is willing to come clean about several other

murders, including the killing of Marie Gesto. Bosch must now take Raynard Waits's confession and get close to the man he has sought -- and hated -- for eleven years. But when Bosch learns that he and his partner missed a clue back in 1995 that could have led them to Gesto's killer -- and that would have stopped nine murders that followed -- he begins to crack. Michael Connelly's suspenseful new novel pits the detective People magazine calls "one of the most complex crime fighters around" against one of the most sadistic killers he has ever confronted. It confirms that Michael Connelly "is the best writer of suspense fiction working today" (Richmond Times-Dispatch).

The Black Ice Michael Connelly 2002-01-01 When an LAPD narcotics

officer is found with a fatal bullet wound and a suicide note, Detective Harry Bosch follows a bloody trail of drug murders across the Mexico border. Working the case, LAPD detective Harry Bosch is reminded of the primal police rule he learned long ago: Don't look for the facts, but the glue that holds them together. Soon Harry's making some very dangerous connections, starting with a dead cop and leading to a bloody string of murders that wind from Hollywood Boulevard to the back alleys south of the border. Now this battle-scarred veteran will find himself in the center of a complex and deadly game—one in which he may be the next and likeliest victim.

Angle of Investigation

Michael Connelly

2011-11-01 LAPD

Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping stories span

Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you in those first few pages, it won't let go of you" (Boston Globe).

Void Moon Michael

Connelly 2001-01-01 New

York Times bestselling author Michael Connelly writes novels of brilliantly original suspense. In this electrifying tour de force, he takes us into a world of extremes: too much criminality, too much money, and too many ways to die. In L.A. Cassie Black is another beautiful woman in a Porsche: except Cassie just did six years in prison and still has "outlaw juice" flowing in her veins. Now Cassie

is returning to her old profession, taking down a money man in Vegas. But the perfect heist goes very wrong, and suddenly Cassie is on the run--with a near-psychotic Vegas "fixer" killing everyone who knew about the job. Between Cassie and the man hunting her are a few last secrets: like who really set up the job, why Cassie had to take the change, and how, in the end, it might all be a matter of the moon...

Innocent Blood Michael Lister 2015-05 When he was twelve years old he came face to face with the man who would be convicted of the Atlanta Child Murders. Six years later, John returned to Atlanta determined to discover who was truly responsible for all the slaughtered innocents.

A Darkness More Than Night Michael Connelly 2001-01-23 LAPD

Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb while investigating the murder of a Hollywood actress. Harry Bosch is up to his neck in a case that has transfixed all of celebrity-mad Los Angeles: a movie director is charged with murdering an actress during sex, and then staging her death to make it look like a suicide. Bosch is both the arresting officer and the star witness in a trial that has brought the Hollywood media pack out in full-throated frenzy. Meanwhile, Terry McCaleb is enjoying an idyllic retirement on Catalina Island when a visit from an old colleague brings his former world rushing back. It's a murder, the unreadable kind of murder he specialized in solving back in his FBI days. The investigation has stalled, and the

sheriff's office is asking McCaleb to take a quick look at the murder book to see if he turns up something they've missed. McCaleb's first reading of the crime scene leads him to look for a methodical killer with a taste for rituals and revenge. As his quick look accelerates into a full-sprint investigation, the two crimes -- his murdered loner and Bosch's movie director -- begin to overlap strangely. With one unsettling revelation after another, they merge, becoming one impossible, terrifying case, involving almost inconceivable calculation. McCaleb believes he has unmasked the most frightening killer ever to cross his sights. But his investigation tangles with Bosch's lines, and the two men find themselves at odds in

the most dangerous investigation of their lives.

Blood Work Michael Connelly 1998 Terry McCaleb, one of the most effective serial-killer investigators in the history of the FBI, hunts down his heart donor's killer.

Crime Beat Michael Connelly 2006-05-08 From #1 bestseller Michael Connelly's first career as a prizewinning crime reporter--the gripping, true stories that inspired and informed his novels. Before he became a novelist, Michael Connelly was a crime reporter, covering the detectives who worked the homicide beat in Florida and Los Angeles. In vivid, hard-hitting articles, Connelly leads the reader past the yellow police tape as he follows the investigators, the victims, their families

and friends--and, of course, the killers--to tell the real stories of murder and its aftermath. Connelly's firsthand observations would lend inspiration to his novels, from *The Black Echo*, which was drawn from a real-life bank heist, to *Trunk Music*, based on an unsolved case of a man found in the trunk of his Rolls Royce. And the vital details of his best-known characters, both heroes and villains, would be drawn from the cops and killers he reported on: from loner detective Harry Bosch to the manipulative serial killer the Poet. Stranger than fiction and every bit as gripping, these pieces show once again that Michael Connelly is not only a master of his craft, but also one of the great American writers in any form.
